

"Merry Christmas Everyone" Shakin Stevens 1985

Snow is falling, all around me
Children playing, having fun
It's the season, love and understanding
Merry Christmas everyone
Time for parties and celebration
People dancing all night long
Time for presents
And exchanging kisses
Time for singing Christmas songs

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe
We'll kiss by candlelight

Room is swaying, records playing
All the old songs, we love to hear
All I wish that everyday was Christmas
What a nice way to spend the year

Instrumental break (shoobee dobee)

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe
We'll kiss by candlelight

(Optional echo section) Snow is falling all around me
Children playing having fun
It's the season
Love and understanding
Merry Christmas everyone
Merry Christmas everyone
Ooh merry Christmas everyone (ooohhhh)
Snow is falling all around me
Children playing having fun
It's the season
Love and understanding
Merry Christmas everyone (Repeat three times)
